# Vestal's Iris Garden

NORTH LITTLE ROCK, ARKANSAS

## *Specials on Standard Varieties*

Among these you will find many fine irises. Some have been supplanted by newer improvements, others are older ones of which we happen to have a good stock. They are unsurpassed for landscaping and for the start of an inexpensive iris collection. At these special low prices we will pack out-of-town orders and ship by express collect.

**10c each; \$1.00 per dozen; \$5.00 per hundred**
